Bloody Mary Bar

The Galli's Gazette

Galli's is now selling Gift Cards great for any occasion

Galli's was closed for the 4th of July, we all hope that you had a wonderful family and friend filled holiday. We are now serving Firemans Brew Brunette on draft along with Firemans Redhead and Blonde in bottles. We are proud to carry this product not only because they are all delicious but Firemans Brew gives back part of their yearly proceeds to fallen firefighters and their children. So as Galli's consumers we are all giving back to a worthy cause. Stay thirsty my friends.

Daily Drink Specials

Galli's has daily drink specials for all kinds of tastes.

- If you are not familiar with our designated liquor days we have
- Malibu Monday**
